WILL YOUR VALUABLES BE IN YOUR VEHICLE WHEN YOU RETURN?

THEFT FROM MOTOR VEHICLE:

LEAVING UNSECURED VALUABLES IN VEHICLES ACCOUNTS FOR A LARGE PERCENTAGE OF THE 'THEFT FROM MOTOR VEHICLE' CRIMES THAT OCCUR IN OUR NEIGHBORHOODS.

FOLLOW THESE SIMPLE STEPS AND YOU CAN HELP US REDUCE VEHICLE AND PROPERTY THEFT IN NORTH WEST DENVER.

- Do not leave valuables in your vehicle i.e. Cell phones, purses, GPS devices & IPod's. Take them with you or lock them in the vehicle's trunk
- Lock your vehicle and take the keys with you. In many cases thieves simply go from car to car searching for unlocked doors
- Never hide a second set of keys inside your vehicle are easily found by thieves
- Remove your garage door opener from your vehicle when parked in your driveway or the street
- Remove cash & change from your cars ash trays
- Do not 'warm up' your vehicle without you being inside the vehicle.
- If you have high-end stereo or video equipment installed in your vehicle please consider investing in an alarm system as an added deterrent.
- Park your vehicle in areas that are highly visible and well lit.
- Practice these same safety principles even when you are in your driveway or parked in front of your home.

PLEASE REPORT ALL SUSPICIOUS ACTIVITY – **IMMEDIATELY**
