2000 COST DATA**

**FORWARD**

This 2000 Cost Data Book was compiled by the Project Management Office of City Engineering, from projects bid by the City Engineer's Office.

This data includes projects for which bids were opened during the period starting December 1, 1999 and ending December 31, 2000, and was compiled from the Bid Prices of awarded contracts.

This data is for information only. The accuracy of the data included has been checked but is not guaranteed.

Projects bid by the City Engineer's Office for the Department of Parks and Recreation and the Community Development Agency are not included in this book.

Comments and suggestions for improvements by the users of this book are welcome - please contact Jeff Jones, Engineer, at (720) 913-4549.
