

SECTION A-A

NOTES:

1. If sidewalk jointing pattern is larger than 5', a larger tree grate can be used.
2. See "Streetscape Design Manual" for size and type of trees that can be used in ROW.
3. Revocable Permit required for Irrigation or Electrical crossing streets or controllers in right-of-way from Public Works.
4. Tree or Planting Permits are required. For tree and plant selections and planting requirements see:

City Forester
