

new restroom to support program activities, and per the master plan, is sited in the northern most portion of the park near the tennis courts. For further information, [click here](#).

## **Sloan's Lake Park Marina Area Planning**

The Sloan's Lake Pump and Marina Improvements project is funded by the Parks Improvements Bond Issue approved by Denver voters in November of 2007. The project is intended to provide a new irrigation pumping system and pumphouse and carry out Marina Improvements as generally outlined in the Sloan's Lake Park Master plan (2002). The Construction budget for the first phase of improvements is approximately 3 million dollars. Construction is anticipated to begin in early 2010.

The first public open house meeting was held on January 13, 2009. ~~A preferred alternative will be shared with the public in an upcoming public meeting.~~
