

**POSTING IS REQUIRED**

**Classification Notice No. 1175**

To: Agency Heads and Employees  
From: Don Cordova, Personnel Director  
Date: March 24, 2006  
Subject: Pay Survey 2006 Proposed Change to the Classification and Pay Plan

**The proposed changes amend the Classification and Pay Plan.**

Based upon a market analysis it is recommended that changes be made to the Classification and Pay Plan which includes range and step adjustments, pay grade changes (bumps) and abolishment of specific classifications.

Per Career Service Rule 8-43 C), "Pay survey adjustments shall be applied to the occupational groups as established in the Denver Revised Municipal Code." The Denver Revised Municipal Code requires the Mayor and City Council to accept, reject or modify any pay recommendations made by the Career Service Board no later than July 1 of each year. Implementation of the 2006 Pay Survey recommendations shall be effective July 2, 2006, the beginning of the first work week following the adoption deadline date for the Mayor and City Council of July 1, 2006.

The proposed changes shall be posted on the appropriate bulletin boards, on the CSA Website at [www.denvergov.org](http://www.denvergov.org), distributed electronically by CCD Email, and delivered to individual human resource and pay roll units across the City for distribution to employees in printed hard copy.

**Public Notice of Changes:**

There will be public hearing held by the Career Service Board for comments on the 2006 pay survey recommendations on **Thursday, April 6, 2006, at 5:00 p.m.** at Wastewater Management, 2000 W. Third Ave., and on **Thursday, April 20, 2006 at 9:30 a.m.** at the Webb Municipal Building, 201 W. Colfax Ave., Room 4.F.2

Anyone wishing to be heard by the Board should call **720-913-5686** no later than noon the day before the hearing to schedule your presentation.

# 2006 Pay Survey Results Announced

Career Service Authority (CSA) has completed its annual market study of prevailing wages in the Denver metropolitan area. The City Charter and Ordinances require the survey to be completed with the findings and recommendations provided to the Career Service Board, Mayor and City Council. Upon approval, the results of the study are scheduled to be implemented on July 2, 2006.

CSA compares the pay ranges of City employees with the prevailing rates and ranges of pay in the Denver metropolitan area. CSA uses data from published salary surveys to make these comparisons each year. Based on feedback from employees and a compensation audit recommendation from Fox Lawson, this year CSA's compensation team added data from national salary surveys. National survey data was extracted from 7 surveys managed by Watson Wyatt Worldwide, a national compensation and benefits consulting company. The relative weight of the national data was determined based on the percent of job applicants from each

occupational group from non-Denver locations.

Using these weights, the national and local data were blended to formulate the step change recommendations.

Similar classifications are combined into occupational groups. When the City's pay for an occupational group falls behind the market, CSA recommends an increase for the group. If the City's rates are above the market, CSA recommends no changes be made. Individual classifications may also be adjusted or "bumped" based on the results of the market analysis.

The box below lists the 2006 occupational groups, the market survey findings and the proposed step changes for the pay ranges in each occupational group.

City employees will have several opportunities to provide their input into the pay survey recommendations. CSA staff are available to participate in departmental briefing sessions during March and April. Two public hearings have been scheduled before the Career Service Board (See the Public Hearing Notice above).

Upon approval of the market

survey findings and recommendations, the ranges will "slide." "Sliding the ranges" modifies the pay structure but does not generally cause employees to receive an immediate increase. This is how it works:

- Pay survey results are determined for each occupational group. The amount of the adjustment is calculated for each salary grade in whole step increments (2.25%).

Occupational Group	Market Change	Step Increase (Percentage Increase)
A Professional	2.80%	1 (2.25%)
C Clerical	4.50%	2 (4.55%)
D Doctors	3.60%	2 (4.55%)
E Engineering & Science	1.70%	1 (2.25%)
G Art, Design, Media, Recreation, & Entertainment	5.50%	2 (4.55%)
H Health Technical & Related Support	1.20%	1 (2.25%)
I Information Technology	1.20%	1 (2.25%)
J Labor	0.50%	0 (0%)
L Legal	1.70%	1 (2.25%)
N Enforcement Compliance & Protective Service	2.90%	1 (2.25%)
O Health Professional	3.60%	2 (4.55%)
S General Support Services	2.30%	1 (2.25%)
T Trades	1.90%	1 (2.25%)
V Fiscal	2.90%	1 (2.25%)

- Generally, employees will move

## Public Hearing Notice

There will be public hearing held by the Career Service Board for comments on the 2006 pay survey recommendations on **Thursday, April 6, 2006, at 5:00 p.m.** at Wastewater Management, 2000 W. Third Ave., and on **Thursday, April 20, 2006 at 9:30 a.m.** at the Webb Municipal Building, 201 W. Colfax Ave., Room 4.F.2

Anyone wishing to be heard by the Board should call **720-913-5686** no later than noon the day before the hearing to schedule your presentation.

to a step in the new range that matches their current rate of pay.

- Any employee who falls below the new pay range (employees on step 1 or 2) in those occupational groups which the survey found require an adjustment would move to step 1 and receive an increase.
- For those classifications which warrant a "bump" in pay grade, the employee would be placed on the step in the new range which would maintain their current rate of pay.
- Actual pay increases for employees will be delivered as part of the merit program based on the employee's performance as evaluated in the Performance Enhancement Plan (PEP). For 2006 the Mayor and City Council approved merit increases from 0 to 3 steps based on performance. Actual step increases can be found in CSA Rule 13-60 B.

If you have any questions about the 2006 pay survey results or want to schedule a briefing by the staff, you can contact Roberta Monaco at 720) 913-5629 or Nicole Lucero-Holub at (720) 913-5680.

## Steps to Determine Occupational Group and Salary

There are four simple steps to determine your classification title, occupational group and salary. Salaries can be found in the pay grades in each occupational group's tabled.

**Step One:** Locate your classification title in the alphabetical listing on pages 2 through 7. If you are unsure of your classification

title, you can find it on the upper portion of your pay check stub.

**Step Two:** Find the pay grade assigned to your classification, which is composed of three numbers and one letter. The letter indicates the occupational group and the numbers represent the pay grade within the specified occupational group.

**Step Three:** Proceed to the tables on pages 8 through 11 to locate the pay table that corresponds with your occupational group.

**Step Four:** Locate the pay grade within the table. Your salary will be the step that matches or most closely matches your current salary without losing money.
