

## New Zoning Code Is Coming – Councilman Nevitt Hosts Meetings For Each District 7 Neighborhood

The new zoning code is coming soon! What does it mean for you, your neighbors, and other property owners in your neighborhood? Community Planning & Development (CPD) is hosting a series of city-wide public meetings in May and Council District specific meetings in June. Councilman Nevitt is hosting additional meetings to ensure that each statistical neighborhood in District 7 has its own opportunity to provide feedback and information for CPD to make the best decisions possible as we transition to the new code. Partnering with CPD and Registered Neighborhood Organizations, Councilman Nevitt invites the residents and property owners of each of the following individual neighborhoods to come participate in a meeting on the new zoning code and its implementation in your neighborhood
