Date: April 11, 2017

Note: A project idea may have been submitted by multiple individuals. The idea is only represented once in this summary.

*** Additional priority project identified by city departments as a six-year capital plan addition.*

All materials herein are working drafts and are subject to change as the 2017 GO Bond process proceeds and more detailed information is developed.

This document includes a combination of the project ideas that were collected in 2016 from the public, City Council, City agencies, and the City's Six-Year plan.

All materials are subject to the further refinement as subcommittees continue their review and deliberation of proposed projects and will be updated accordingly.
