Agency for Human Rights and Community Partnerships

The Agency for Human Rights and Community Partnerships (HRCP) creates opportunities for innovation to take root in local government and throughout the community to impact local challenges. HRCP is the model of inclusiveness, recognizing that diverse perspectives, skills, and resources strengthen the foundation for lasting solutions.

HRCP's mission is to proactively protect human rights, build capacities, and strengthen connections that result in stronger relationships in the community through collaboration, communication, and advocacy. We address issues concerning older adults, racial, ethnic and religious minorities, women and families, people with disabilities, gay, lesbian, bisexual and transgender individuals, immigrants and refugees, neighborhood partnerships, and non-profit partnerships.

Denver Office of Disability Rights

As one of the most accessible cities, the Denver Office of Disability Rights is an integral division of the Agency for Human Rights & Community Partnerships. The Americans with Disabilities Act (ADA) is a federal civil rights law prohibiting discrimination in employment, public services, public accommodations, and telecommunications. The role of the Denver Office of Disability Rights is to ensure compliance with Title II of the ADA, which mandates the provision of equal access to city government services, programs, and activities for people with disabilities. The Office of Disability Rights also provides oversight of the city's ADA transition plan, investigates disability-related grievances, and performs architectural plan reviews specifically related to accessibility.

En el espíritu de los Días de Denver, cuando los vecinos llegan a conocer a sus vecinos, ¿por qué no nos fijamos si algún vecino necesita ayuda durante el invierno?

#NeighborCheck

Si usted o un vecino...

- un adulto anciano
- una persona incapacitada
- una enfermedad temporal
- una persona sin la capacidad física

Cuelgue este cartelito en la puerta de entrada.

Si usted puede ayudar...

Vea si sus vecinos necesitan ayuda y mire si este cartelito está en la puerta de su vecino.

**POR
FAVOR,
¡AYUDEN
ME A
REMOVER
LA NIEVE!**

In the spirit of Denver Days, where neighbors get to know neighbors, let's do a **#NeighborCheck** during this winter season.

If you or a neighbor is...

- an older adult
- living with a disability
- temporarily ill
- physically unable

hang this on the front door.

If you can give help...

check on your neighbors and look for this display on doors.

**PLEASE
HELP ME
SHOVEL!**
