

Passionate about a cause? Have a story to tell? Apply to be a Team DECC ambassador!

The Denver Employees Charitable Campaign (DECC) is looking for city employees to act as spokespeople for their favorite nonprofits and as ambassadors for workplace giving.

- Be featured on the DECC website and elsewhere.
- Speak at events.
- Encourage fellow employees to donate.
- Help spotlight your charity.

Serving on Team DECC brings recognition to the charity you love, and offers the ease and effectiveness of giving through the city's workplace campaign.

What's required?

Team DECC ambassadors are charged with promoting the DECC to their coworkers and other city employees throughout the course of the campaign (September to January). This includes: being featured in a profile on the DECC website; attending events and sharing their story; presenting to big and small groups; and, encouraging other employees to donate through the DECC. In return, Team DECC representatives and their nonprofits are featured in DECC marketing materials and on campaign platforms.

In addition, Team DECC ambassadors must give to their charity of choice through the campaign. Charities must be 501(c)(3) and in good standing with the Internal Revenue Service and the Colorado Secretary of State.

You should apply if you...

- Believe you can make a difference in your community by participating in the DECC.
- Have participated in workplace giving through the DECC in the past and want to inspire your fellow city of Denver employees to give through the campaign this year.
- Or a loved one have personally benefited from a local nonprofit.
- Care deeply about and have been actively engaged in the cause, need or social issue addressed by your chosen charity.

Team DECC selection

Applications will be reviewed by the DECC Steering Committee, the campaign's employee leadership. Who the committee chooses depends on factors like the diversity of charities, causes and city agencies put forth. Look on our Facebook page for the public announcement of Team DECC in September. Once accepted, Team DECC ambassadors will be asked to submit a photo that will be used throughout the campaign. They will also be invited to attend a brief training (date TBA).
