

WORKPLACE GIVING WORKS!

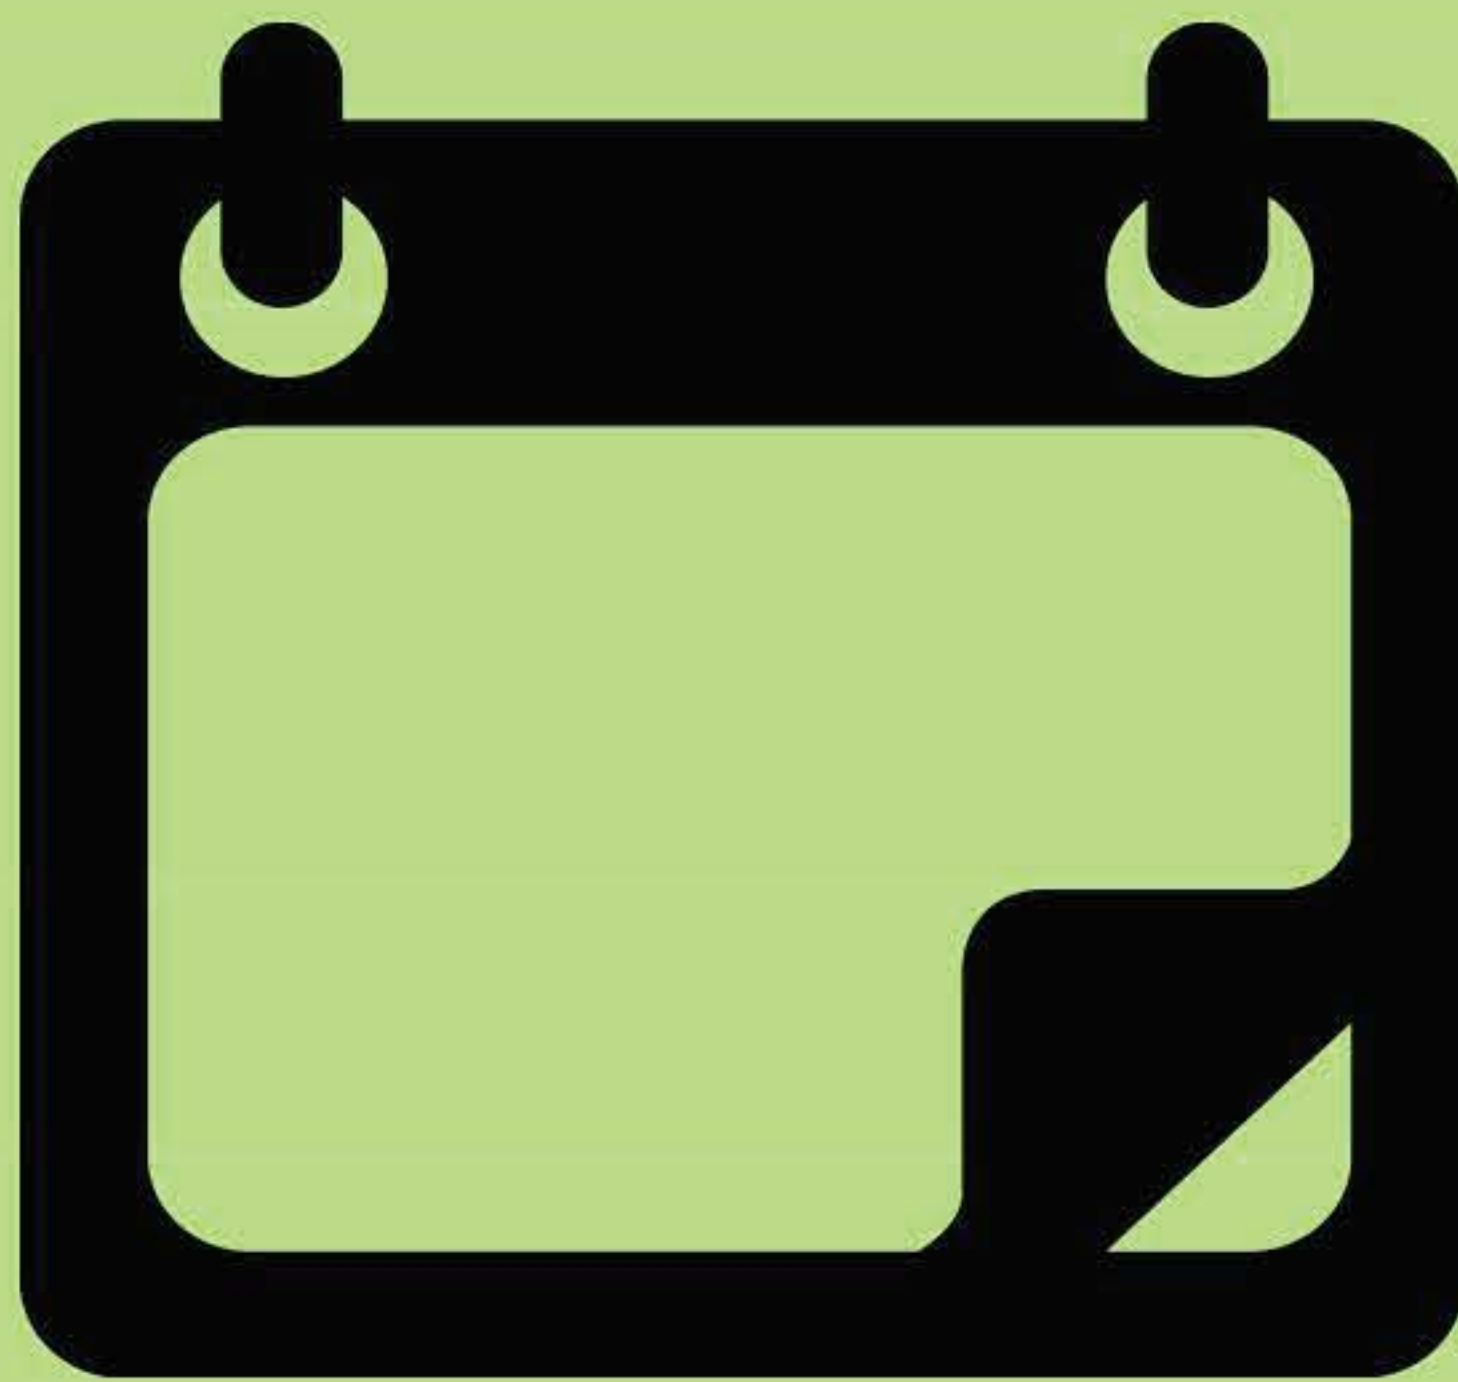

It's a great way to support the charities, causes and communities you care about.

It's EASY

The opportunity to give comes directly to you, and you can donate right out of your paycheck, a few dollars at a time.

It's EFFICIENT

Set it up once a year and forget it. Plus, giving as a group keeps nonprofit costs low.

It's EMPOWERING

You choose who to give to and how. You're in the driver seat.
