“I can be of service to my community by giving and sharing why I give to the charities of my choice. I choose to support **Colorado Old Time Fiddlers’ Association** because I have seen first-hand how it helps kids learn about American’s musical heritage. I choose to give through the DECC because it is easy and convenient to give through payroll deduction.”

More about Colorado Old Time Fiddlers’ Association

Promoting and preserving the traditional American art form of old-time fiddling is the organization’s mission. It sponsors and supports fiddle contests across Colorado, provides fiddle and guitar workshops, sponsors square dances, holds jam sessions and supports community outreach programs.
