Who I give to and why

Sunshine Home Share Colorado safely and thoughtfully matches homeowners 55 and older with someone looking for an affordable place to live. The senior is better able to “age in place,” the renter finds an affordable place to live and the city gets a boost to our housing supply. WIN-WIN-WIN!

Why I give through the DECC

The DECC is a great way to raise awareness of the valuable work of Denver’s nonprofit organizations. I choose to give through it because I make the decision once and the DECC takes care of the rest.

Andrea’s charity of choice, Sunshine Home Share Colorado, matches senior home providers with home seekers in order to promote safety, compatibility and affordable housing options.
