Who I give to and why

I give to Children's Hospital Colorado Foundation because of the care my son has received (he is four and was diagnosed with leukemia in 2015). I know firsthand how fortunate we are to have this medical facility in our community. The foundation helps ensure that all patients receive superior care.

Why I give through the DECC

Workplace giving is such an easy way to make a difference for the many valuable organizations that make this a great place to live.

Emily's charity of choice, Children's Hospital Colorado Foundation, improves the health of children through patient care, education, research and advocacy.
