Who I give to and why

Alzheimer's Association, because both my grandmother and my father-in-law suffered from the disease. It's devastating to both the patient and the family. I support the organization in the hope of finding a cure for those who suffer, as well as continued support and programs for the caregivers.

Why I give through the DECC

A little goes a long way. Just a few dollars out of every paycheck can add up to a big donation over the course of the year.

Genny's charity of choice, Alzheimer's Association—Denver, provides patient and family support to those affected by Alzheimer's, and educates the public and healthcare providers about the disease.
