Denver Human Services

Who I give to and why

I give to Mi Casa Resource Center because I've seen lives radically transformed by the services they offer. I truly believe in what they do.

Why I give through the DECC

I'm empowered to give, which makes me feel no longer feel incapable in the face of need. As a result, I'm filling my everyday life with more meaning.

Stephanie's charity of choice, Mi Casa Resource Center, advances economic success through career training, small business development, and enrichment programs for youth and families.
