

# Dilkush Khan Technology Services Team DECC

## Who I give to

I give to the Anchor Center for Blind Children. This nonprofit organization provides early education to visually impaired infants and toddlers. I'd like to think that my efforts and care for the Anchor Center will help them grow and continue to offer resources that help young kids succeed.

## Why I give through the DECC

For a number of reasons: 1) The DECC sets up an easy, direct way to make donations. 2) I can raise more awareness and encourage others to donate, too. 3) Through the DECC, I can foster a growing community of givers and help the Anchor Center keep doing what they're doing.
