Who I give to

I give to Phamaly Theater Company. They produce professional plays and musicals that exclusively feature actors with all types of disabilities. My daughter, JoDee, has participated in two PHAMALY musicals and her visual disability is acknowledged and well-accommodated.

Why I give through the DECC

Just like most people, I would like to see my community (local, state, and beyond) improve. The many non-profits out there in the world make it possible, and workplace giving through DECC makes it easy. It's rewarding to team up with my fellow employees to see what our combined impact can really be.
