## Who I give to

I give to SafeHouse Denver. I have a strong interest in advocating for victims of domestic violence. Providing services and/or a helping hand is crucial in the healing process these victims go through. My recently deceased mother (pictured) was passionate about giving counseling and aid to SafeHouse Denver. It is nice to carry on her memory by giving to and encouraging others to give to SafeHouse Denver.

## Why I give through the DECC

The DECC sheds a light on issues that often go unnoticed. By giving through the DECC, I can give back to the city that has given so much to me. Together, we can make a big difference in supporting others and honor the memory of those who have meant so much to us.
