

Tanya B. Diabagate Public Works Team DECC

Who I give to

I give to the Femi Care Project because they are in the business of empowering and restoring dignity to women who are unable to afford products and services to maintain their feminine and personal care. The Femi Care Project provides toiletries, underwear, hair services, and shower and laundry supplies to those in need.

Why I give through the DECC

The DECC encourages Denver City and County employees to join together to form a community of service. Together, our giving benefits our workplace culture, important initiatives, and all citizens.
