

TEAM DECC presents: Madeline Binsfrahm
Featured Nonprofit: Denver Animal Foundation

Denver Animal Foundation has been a strong supporter of Denver Animal Protection for many years. They recently provided a grant to pay for the food costs of underage kittens and puppies that enter foster care. This grant ensures that these very young animals receive continuous nutritious food Denver Animal Protection would like to raise funds for three main purposes: emergency medical care of injured dogs and cats, foster care for underage animals or those recovering from medical issues, and humane education for both youth and the public.

Mission Statement

Fostering the human-animal bond by protecting the safety and welfare of Denver's animals and citizens.

Denver Animal Protection (DAP) provides animals care and protection services for all of Denver County. We foster the human-animal bond by protecting the safety and welfare of Denver's animals and citizens. DAP is committed to providing humane care to companion animals; reuniting lost pets with their owners; adopting pets to loving homes; enforcing Denver County animals ordinances; and proactively educating the public about animals, their needs, and DAP's critical role as a community resource. DAP operates Denver Animals Shelter (DAS), an open-admission shelter that is home to more than 7,500 lost and abandoned pets each year.
