---

Once you have electronically filed a return you must now pay the amount shown on your return. You can pay your taxes online using an e-check. This handout gives step-by-step instructions on how to pay a return in Denver's eBiz Tax Center with an e-check.

## Step 1: Navigate to the payment screen

There are two ways to get to the payment screen. One way is from your home screen by clicking the **Make a Payment** hyperlink.

The screenshot shows the Denver's eBiz Tax Center interface. The main content area displays account information for a 'TEST ACCOUNT' with a balance of \$284,904.49. A red box highlights the 'Make a Payment' link under the 'I WANT TO...' section. A green callout box with a white border and text reads: 'Use your mouse to click the Make a Payment hyperlink'. The left sidebar contains navigation options like 'Menu', 'C9S', and 'Navigation'. The bottom of the page features a 'FORM FIELD COLOR GUIDE' and social media icons for Facebook, Twitter, YouTube, Flickr, Newsfeed, and Open Data Catalog.
