exhausted in the near future, as well. Antoinette noted that the Fire Lieutenant Written Test was scheduled for June, followed by the Assessment Center in July.

Chris Avitia thanked the Commissioners and CSC staff for all their hard work, and added that there were currently 1500 individuals expressing interest in the next academy process. He reported that this was his last Commission Meeting, as his transfer to District 4 went through.

Commissioner Green requested a future discussion about Commissioner onboarding. Commissioner Murray stated that she had an onboarding session through the City. She stated, however, that perhaps “up the chain” do not recognize the work load of Civil Service Commissioners. Chris Avitia suggested that the Commissioners meet with the training academy for their input/feedback on recruits. Earl proposed that the matter be added to the Agenda of a light topic meeting.
