PREPARATION OF EXAMINATION: Pursuant to its rules, the Commission contracted with the firm of Booth Research Group, Inc. to assist in the development and administration of this examination. All registered candidates for this examination are strongly encouraged to attend at least one of the Orientation sessions, and may attend both if they elect to do so. The content of both sessions will be similar. Attendance is not mandatory. Only registered candidates will be admitted, and those attending an Orientation session may be asked to present identification before being admitted.

The agenda for both Orientation sessions is identical, however, based on specific candidate questions, some content may vary. The Orientations will provide additional information not included in this Announcement. The Orientations will cover general information about the Written Test, the Assessment Center, the scoring of the examination, confidentiality requirements, and accommodations for those on Military Leave. A video of the Orientation Sessions will also be made available for review by candidates on a limited and scheduled basis.

EXAMINATION COMPONENTS: The total examination score shall consist of the following components:

COMPONENT	MAXIMUM POINT VALUES
Written Test	32.0 points maximum
Assessment Center	62.0 points maximum
Seniority	6.0 points maximum
TOTAL	100 points maximum

The maximum possible total examination score is 100 points. Of that, a maximum of thirty-two (32) points may be earned for the written test, and a maximum of sixty-two (62) points may be earned for the assessment center. A maximum of six (6) points may be awarded for seniority. The allocation of points is explained further in the following paragraphs.

WRITTEN TEST: A written test will be administered to all registered candidates, addressing content areas from among those that are determined as a result of the job analysis to be essential or important for the successful performance of the duties and responsibilities of a Lieutenant. The written test is a closed book test, which requires candidates to respond to items without the use of reference materials.

The written test is tentatively scheduled to be administered on June 11, 2013, at the Webb Municipal Building, floor 4, rooms 4.F.6 and 4.G.2. All registered candidates will be notified by mail at a later date the time for the written test. Candidates will be allotted approximately two and one-half (2-1/2) hours to complete the test.

Scoring the Written Test: After completing the written test, all candidates will receive a photocopy of their answer sheet unless there are eligible candidates out on Military Leave. If there are no eligible candidates out on Military Leave, a copy of the answer key will be distributed after the written test has been administered and the Angoff Committee has completed reviewing the test. If there are candidates out on Military Leave, on or about the afternoon of June 12, 2013, individual scores, by candidate I.D. number only, will be posted at the Commission and on the Commission's web site, and will be distributed to the Department. No individual scores will be given over the telephone. Further information regarding the Angoff Committee will be provided to candidates during the orientation sessions.

The determination of the minimum passing score on the written test shall not be made by the Civil Service Commission until all candidates' answer sheets have been scored. The Commissioners are tentatively scheduled to set the passing score for the written test on June 21, 2013. An announcement of the passing score will then be made throughout the Department. Candidates may call the Commission the afternoon of June 21, 2013 to obtain the passing score; however, no individual scores will be given over the telephone. The Commission will notify all candidates of their status by mail during the week of June 24, 2013.

Only those candidates who attain a passing score on the written test may advance to the assessment center. A maximum of thirty-two (32) points of a candidate's total score shall be based on the candidate's score on the written test.

READING LIST: The Written Test is based on the material contained on the official reading list. The reading list will be distributed to all candidates upon registration for the examination. The reading list contains information on how to obtain all necessary study materials.

ASSESSMENT CENTER: The assessment center will be administered to all candidates who pass the written test and who follow all examination regulations and instructions. The assessment center is tentatively scheduled to be administered during the week of July 22, 2013, in the Webb Municipal Building, 201 West Colfax Avenue, in Denver.

On or around Wednesday, June 26, 2013, a random drawing will be held at the Civil Service Commission office to determine the date and time each candidate will participate in the assessment center. A non-participating representative of Local 858 and a non-participating representative of the Administration for the Denver Fire Department will be asked to witness the drawing. Candidates are also invited to witness the drawing, if they desire. Any candidates related by blood, marriage or adoptions, who are participating in the Assessment Center, will be scheduled for the same Assessment Center session(s).

Assessment center exercises are designed to provide opportunities to evaluate candidates in areas of performance that are not easily assessed in multiple-choice written examinations. The assessment center will consist of job-related exercises designed to measure factors and dimensions from among those determined as a result of the job analysis to be essential or important to the successful performance of the duties and responsibilities of a Lieutenant. A maximum of sixty-two (62) points of a candidate's total score shall be based on the candidate's score for the assessment center.

General information about the types of exercises and the dimensions to be rated by the assessors will be provided at the Orientation Sessions. All Assessment Center exercises for each candidate will be completed in one day. A panel of external assessors holding the rank equivalent to Lieutenant or higher will evaluate and assign scores to each candidate's performance in a particular exercise.

Candidates may wear either their uniform or business attire to the assessment center. If candidates elect to wear their uniform, all pins, medals, and other insignia except the rank and badge must be removed. Candidates will not be permitted to bring any items into the assessment center including previously prepared material. All necessary materials and supplies, such as paper, pens, reference materials, etc. will be provided.

Approximately six to eight weeks after the assessment center, candidates will be given a feedback report from the Commission, evaluating the strengths and weaknesses of their performance in the assessment center, and will be given an opportunity to review a video of their presentation of their assessment center exercises. The feedback report is formulated by comments from the assessors, prepared by the Commission, and provided solely for the use of the candidate in identifying and evaluating opportunities for personal development. The report will not be considered nor used to formulate a candidate's official Assessment Center score, but instead is solely provided as a learning tool for the candidate. The exact date of the distribution of feedback reports will be contingent upon completion of any and all delayed administrations of the examination due to the Military Leave status of otherwise eligible candidates.

SENIORITY: Each candidate who successfully completes all components of the examination shall receive .166 of one point for each full month of continuous service beyond fifty (50) full months of service in the Classified Service rank of Firefighter in the Denver Fire Department, following the candidate's most recent appointment to the Classified Service, until the maximum of six (6) points for seniority has been reached. Seniority shall be computed through May 31, 2013, or through and including the last day of the month preceding the month in which the first examination component is administered. Length of service shall be reduced for unpaid leaves of absence (not including family medical leave or military leave) and suspensions without pay, in aggregate greater than 30 days. Credit for Seniority shall be computed consistent with Commission Rule 6 § 6. However, for any candidate who has been re-employed under the provisions of Rule 11 § 4, the computation of length of service shall include both the seniority which he/she had at separation, which was retained under Rule 11 § 4(B), and the seniority accrued following reemployment, in spite of such combined service being considered noncontinuous.

(Time served in the appointed rank of Technician and the promoted rank of Engineer does count as time served.)

FINAL EXAMINATION SCORE/ELIGIBLE REGISTER: The final examination score shall be the sum of the points earned from the Written Test and the Assessment Center, plus the points awarded for Seniority. The Eligible Register shall contain in rank order, according to final examination score, the names of only those candidates who have successfully completed all examination components. The eligible register will be approved by the Civil Service Commission on or about August 2, 2013. Once approved, copies of the eligible register will be available at the Commission office and will be distributed to various locations throughout the Department.

The scoring procedures will be explained in further detail in the final notification letters that will be sent to all candidates. Each letter will contain the candidate's raw score on each component, as well as a description of the calculations used to obtain the candidate's total score. Ties shall be broken pursuant to Civil Service Commission Rule 7-4(B).

DATES AND LOGISTICS: All registered candidates for this examination will receive a confirmation notice by mail within two weeks of the close of the registration period. This letter will confirm the exact date, time, and location of the written test. Additionally, all candidates taking the written test will be notified of their scores by mail approximately one week after the passing score has been determined. Candidates who pass the written test will receive further information at that time regarding the assessment center. Registered candidates who do not receive a confirmation letter from the Commission prior to any examination phase are responsible for notifying the Commission and confirming the logistical details.

REASONABLE ACCOMMODATION: A candidate must request and describe, in writing, any reasonable accommodation(s) (per the Americans with Disabilities Act) he/she will need to participate in any component of the examination process noted herein, by the registration deadline of January 4, 2013, at 5:00 p.m. A medical statement documenting the candidate's medical restrictions that support the requested reasonable accommodation for the examination process must also be submitted by the registration deadline. Each request will be reviewed on a case-by-case basis. The submission of a request does not necessarily mean that the request will be granted.

REASONABLE ACCOMMODATION OF MILITARY LEAVE: Examination procedures and/or regulations have been instituted to ensure compliance with the non-discrimination provisions of the Uniformed Services Employment and Re-employment Rights Act of 1994. Opportunity for late registration and for delayed participation in this promotional examination process will be provided on an individual basis for those who are eligible to register and participate in the general administration of the examination components as noted herein, but who are unable to do so based on Military Leave status. Additional examination procedures and/or regulations have been implemented to maintain the confidentiality and integrity of the examination process throughout any extended period of examination administration.

Any candidate who is absent from duty and unable to register due to Military Leave must register for the examination no later than 30 calendar days following the date of their return to duty. Any requests for other specific accommodations are to be made in writing. Candidates

can obtain further information about seeking and receiving reasonable accommodation based on Military Leave status by contacting Jeff Wilson, as provided below.

IMPARTIAL AND COMPETITIVE PROCESS: As provided by City Charter §9.3.1 and §9.3.11(f) and Civil Service Commission Rule 6 § 3(A), the components of all examinations shall be impartial and competitive. The Civil Service Commission is committed to a fair, impartial and competitive process. The Commission shall not be influenced by factors that would compromise the principles of a merit based promotional process that the Commission is entrusted within this or any test administration.

PROTEST OR CHALLENGE: Any protest or challenge to the content of this official announcement and the examination plan as set forth herein must be presented by a candidate, in writing, to the Executive Director of the Civil Service Commission. It must be received at the office of the Commission, 201 W. Colfax Ave., Dept. 1208, Denver, Colorado, 80202 no later than 5:00 p.m. on January 4, 2013.
