SUBJ: Written Test Scores by ID

DATE: May 2, 2018

I have attached the written test scores by iCIM's ID for the test administered on April 30, 2018. There were no questions eliminated by the Angoff Committee. The Angoff Committee did determine question number #23 had missing information and everyone was given credit for that question.

The Commission is scheduled to set the passing score on Thursday, May 10, 2018. You are welcome to attend this meeting. The passing score will be posted on our web-site by 2:00 p.m. that day. During the week of May 14th, all candidates who participated in the written test will be sent notification letters regarding their individual results.
