The content of both sessions will be similar. Attendance is optional. Only registered candidates will be admitted, and those attending an Orientation session may be asked to present identification before being admitted.

The agenda for both Orientation sessions is identical; however, based on specific candidate questions, some content may vary. The Orientations will provide additional information not included in this Announcement. The Orientations will cover general information about the Written Test, the Assessment Center, the scoring of the examination, confidentiality requirements, and accommodations for those on Military Leave. A video of the Orientation sessions will also be made available for review by candidates on a limited and scheduled basis.

EXAMINATION COMPONENTS: The total examination score shall consist of the following components:

COMPONENT	MAXIMUM POINT VALUES
Written Test	31.5 points maximum
Assessment Center	63.5 points maximum
Seniority	5.0 points maximum
TOTAL	100 points maximum

The maximum possible total examination score is 100 points. Of that, a maximum of thirty-one and one-half (31.5) points may be earned for the written test, and a maximum of sixty-three and one-half (63.5) points may be earned for the Assessment Center. A maximum of five (5) points may be awarded for seniority. The allocation of points is explained further in the following paragraphs.

WRITTEN TEST: A written test will be administered to all registered candidates, addressing content areas from among those that are determined as a result of the job analysis to be essential or important for the successful performance of the duties and responsibilities of a Captain. The Written Test is based on the material contained on the official reading list. The written test is a closed book test, which requires candidates to respond to items without the use of reference materials.

The written test is tentatively scheduled to be administered on April 28, 2020, at the Webb Municipal Office Building, floor 4, rooms 4.G.2 and 4.F.6. Registration will begin at 7:30 a.m. and will close promptly at 8:00 a.m. **Candidates who arrive later than 8:00 a.m. for registration shall not be allowed to take the test and shall be disqualified.** Candidates will be allotted approximately two and one-half (2.5) hours to complete the test. Cell phones, smart watches, and other electronic devices except for a stop watch or watch will not be permitted in the written test area. Candidates are instructed to not bring into the Webb Building any cell phones, smart watches, or any other electronic devices as they will be instructed to return to their vehicles and leave those devices in their vehicles.

Scoring the Written Test: The determination of the minimum passing score on the written test shall not be made by the Civil Service Commission until all candidates' answer sheets have been scored. The Commissioners are tentatively scheduled to set the passing score for the written test on May 14, 2020. An announcement of the passing score will then be made throughout the Department. The Commission will notify all candidates of their status by email during the week of May 18, 2020.

Only those candidates who attain a passing score on the written test may advance to the Assessment Center. A maximum of thirty-one and one-half (31.5) points of a candidate's total score shall be based on the candidate's score on the written test.

READING LIST: The Written Test is based on the material contained on the official reading list. The reading list will be provided to all candidates upon registration for the examination. The reading list contains information on how to obtain all necessary study materials.

ASSESSMENT CENTER: The Assessment Center will be administered to all candidates who pass the written test and who follow all examination regulations and instructions. The writing exercise component of the Assessment Center is tentatively scheduled to be administered on Tuesday, June 9, 2020, in the Denver Post Building, 101 West Colfax Avenue, Civil Service Commission Office, 7th floor, in Denver. The two oral assessment exercise components of the Assessment Center are tentatively scheduled to be administered June 16 - 19, 2020, in the Denver Post Building, 101 West Colfax Avenue, Civil Service Commission Office, 7th floor, in Denver.

On or around Thursday, May 7, 2020, a random drawing will be held at the Civil Service Commission to determine the date and time each candidate will participate in the Assessment Center. A non-participating representative of Local 858 and a non-participating representative of the Administration for the Denver Fire Department will be asked to witness the drawing. Any candidates related by blood, marriage, or adoptions, who are participating in the Assessment Center, will be scheduled for the same Assessment Center sessions(s).

Assessment center exercises are designed to provide opportunities to evaluate candidates in areas of performance that are not easily assessed in multiple-choice written examinations. The Assessment Center will consist of job-related exercises designed to measure factors and dimensions from among those determined as a result of the job analysis to be essential or important to the successful performance of the duties and responsibilities of a Captain. A maximum of sixty-three and one-half (63.5) points of a candidate's total score shall be based on the candidate's score for the Assessment Center.

General information about the types of exercises and the dimensions to be rated by the assessors will be provided at the Orientation Sessions. The writing exercise portion of the Assessment Center process is tentatively scheduled for June 9, 2020. All oral Assessment Center exercises for each candidate will be completed in one day. A panel of external assessors holding the rank equivalent to Captain or higher will evaluate and assign scores to each candidate's performance in a particular exercise.

Candidates may wear either their uniform or business attire to the Assessment Center. If candidates elect to wear their uniform, all pins, medals, and other insignia except the rank and badge must be removed. No cell phones, smart watches, or any other electronic devices (other than a stopwatch or watch) are allowed in any of the exercises during any portion of the assessment. Candidates will not be permitted to bring any items into the Denver Post Building or the Assessment Center including previously prepared material. All necessary materials and supplies, such as paper, pens, reference materials, etc. will be provided. Candidates also may not bring any backpacks into the Denver Post Building or the Assessment Center unless there is a medical issue covered by the ADA. This would require prior permission from the Executive Director Earl Peterson.

Approximately six to eight weeks after the Assessment Center, the Commission will email a feedback report to each candidate, evaluating the relative strengths and weaknesses of their performance in the Assessment Center, and will be given an opportunity to review a video of their presentation of their Assessment Center exercises. The feedback report is formulated by comments from the assessors and provided solely for the use of the candidate in identifying and evaluating opportunities for personal development. The report will not be considered nor used to formulate a candidate's official Assessment Center score, but instead is solely provided as a learning tool for the candidate. The exact date of the distribution of feedback reports will be contingent upon completion of all delayed administrations of the examination due to the Military Leave or Line of Duty Injury status of otherwise eligible candidates.

SENIORITY: Each candidate who successfully completes all components of the examination shall receive .1000 of one (1) point for each full month of continuous service beyond one year in rank as Lieutenant until the maximum of 5 points for seniority has been reached. Length of service shall be reduced for unpaid leaves of absence (not including family medical leave or military leave) and suspensions without pay, in aggregate greater than 30 days. Seniority shall be computed through March 31, 2020, or up to the last day of the month preceding the month in which the written test is administered. Credit for Seniority shall be computed consistent with Commission Rule 6 § 6.

FINAL EXAMINATION SCORE/ELIGIBLE REGISTER: The final examination score shall be the sum of the points earned from the Written Test and the Assessment Center, plus the points awarded for Seniority. The eligible register shall contain in rank order, according to final score, only the names of candidates who have successfully completed all examination components. The eligible register will be approved by the Civil Service Commission on July 9, 2020, for posting on July 9, 2020. Ties shall be broken pursuant to Civil Service Commission Rule 7 § 4(B).

REASONABLE ACCOMMODATION: A candidate must request and describe, in writing, any reasonable accommodation(s) (per the Americans with Disabilities Act of 1990, as amended) he/she will need to participate in any component of the examination process noted herein, by the registration deadline of December 3, 2019, at 4:30 p.m. A medical statement documenting the candidate's medical restrictions that support the requested reasonable accommodation for the examination process must also be submitted by the registration deadline. Each request will be

reviewed on a case-by-case basis. The submission of a request does not necessarily mean that the request will be granted.

REASONABLE ACCOMMODATION OF LINE OF DUTY INJURY: In the event an eligible candidate sustains a “line of duty” injury that impacts their ability to take any component of this announced examination, they may request a reasonable accommodation. The candidate must request and describe, in writing, any reasonable accommodation(s) he/she will need to participate in any component of the examination process noted herein. A medical statement documenting the candidate’s medical restrictions that support the requested reasonable accommodation for the examination process must also be submitted. Each request will be reviewed on a case-by-case basis. The submission of a request does not necessarily mean that the request will be granted.

REASONABLE ACCOMMODATION OF MILITARY LEAVE: Examination procedures and/or regulations have been instituted to ensure compliance with the non-discrimination provisions of the Uniformed Services Employment and Re-employment Rights Act of 1994. Opportunity for late registration and for delayed participation in this promotional examination process will be provided on an individual basis for those who are eligible to register and participate in the general administration of the examination components as noted herein, but who are unable to do so based on Military Leave status. Additional examination procedures and/or regulations have been implemented to maintain the confidentiality and integrity of the examination process throughout any extended period of examination administration.

Following the close of registration, the Denver Fire Department will provide the Commission a list of Candidates on Military Leave. Any candidate who is absent from duty and unable to register due to Military Leave must register for the examination no later than 30 calendar days following the date of their return to duty. Any requests for other specific accommodations are to be made in writing. Candidates can obtain further information about seeking and receiving reasonable accommodation based on Military Leave status by contacting Jeannette Giron, as provided below.

IMPARTIAL AND COMPETITIVE PROCESS: As provided by City Charter § 9.3.1 and § 9.3.11(f) and Civil Service Commission Rule 6 § 3(A), the components of all examinations shall be impartial and competitive. The Civil Service Commission is committed to a fair, impartial and competitive process. The Commission shall not be influenced by factors that would compromise the principles of a merit-based promotional process that the Commission is entrusted within this or any test administration.

If you have any questions regarding this examination, please email Jeannette Giron, Senior H. R. Data Analyst at Jeannette.Giron@denvergov.org.
