Summer 2018

Dear Friends and Colleagues:

The Denver Civil Service Commission is proud of its accomplishments in 2017.

In July, the Commission administered a promotional examination for the rank of Fire Lieutenant, and in September the Commission administered a promotional examination for the rank of Police Sergeant. We gratefully acknowledge the department subject matter experts who have willingly given their time and expertise to the development of these exams.

Additionally, the Commission processed sufficient applicants for three police academies, one in May and two in October 2017, resulting in 101 new police hires. And, the Commission processed sufficient applicants for two fire academies, one academy in February and one in September 2017, resulting in 44 new fire hires.

The Commission continues to participate and support Fire and Police mentoring and recruitment programs. Such activities have aided in our mission to attract and certify the best qualified candidates for employment and promotions “that represent the diversity of the community we serve.”

At the end of 2017, long-time Commissioner, Anna Flores retired. Her fellow Commissioners, the entire Civil Service Commission staff, the Chiefs and classified members of both the Denver Fire and Police Departments, thank her for her years of dedication and service to the residents of the City and County of Denver, and wish her well in her future pursuits.

We sincerely thank our Commissioners, the former Executive Director of Safety Stephanie O’Malley and the Department of Safety, Fire Chief Eric Tade, and former Police Chief Robert White, along with the classified members of the Fire and Police Departments, Fire Local 858, the Police Protective Association, and the various department employee groups for their contributions and continued support.

Together, as envisioned by Mayor Michael Hancock, the Civil Service Commission is helping to make Denver a world class city where everybody matters.

Sincerely,

Earl E. Peterson
Executive Director

MISSION

The Commission will adhere to the City Charter, the City's Code of Ethics, and we will endeavor to certify the best qualified candidates for employment and promotions that represent the diversity of the community we serve. This will enable the Commission to not only meet but exceed our responsibilities to the Mayor, City Council, Denver Police and Fire Departments, respective unions, employee organizations and the Citizens of Denver.

The Denver Civil Service Commission through its appointed Commissioners, Executive Director and respected staff do hereby affirm our Mission Statement.

DEPARTMENT SUMMARY

The City Charter established the Denver Civil Service Commission in 1904. The Commission is one of the oldest merit systems in the nation and is modeled after the Pendleton Act of 1883, which created the U.S. Civil Service Commission now known as the U. S. Office of Personnel Management.

The Commission is governed by a board of Commissioners. City Charter §9.3.2 states the Commission shall consist of five (5) members; two members are to be appointed by the Mayor, two members are to be appointed by City Council and one member shall be nominated by the Mayor and appointed by Council ordinance or resolution. Each Commissioner shall be appointed for a term of two (2) years, except when appointed to complete an unexpired term, and may be reappointed. In making appointments to the Commission, the Mayor and City Council shall consider the diversity of the citizens of the City and County of Denver.

The duties, powers and responsibilities of the Commission include establishing, fostering and maintaining a merit personnel system for the Classified Service of the Denver Police and Fire Departments. Through this merit process, a listing of eligible applicants/candidates determined to be the best qualified, is provided to the Executive Director of Safety for selection and appointment to the Classified Service.

By Charter and Rule, the Commission has a duty to maintain a merit system that provides for equality, diversity and integrity in the examination process. The Commission evaluates components used in the examination process on a regular basis and determines how these components should be graded and weighted in order to identify the best-qualified applicants and candidates for placement on eligible registers. The Commission's ongoing review of test material, selection methods and policies and procedures ensures an effective, efficient, and equitable process for entry-level and promotional testing. The Commission is committed to testing and selection processes that are fair, content valid, reliable, and job related. The Commission adheres to all applicable Federal, State, and local laws and adheres to the Uniform Guidelines on Employee Selection Procedures as established by the Equal Employment Opportunity Commission (EEOC).

The Commission is also committed to Equal Employment Opportunity and non-discrimination. The Commission's consideration and examination of all applicants for employment with the Commission and all applicants and candidates for appointment and promotion in the Classified Service, shall be made without regard to race, color, religion or creed, sex, sexual orientation, age, national origin or ancestry, political affiliation, or disability for individuals otherwise qualified to perform the essential functions of the position with or without reasonable accommodation.

DISQUALIFICATION & DISCIPLINARY APPEALS

The Appeal Process

The entire Appeal Process is outlined in City Charter §9.4.15 and Commission Rule 12 – Disqualification and Disciplinary Appeals, Hearings and Procedures. Except for the disqualification of any probationary member of the Classified Service, a member who is subject to disqualification and is being dismissed for a failure or inability to meet the qualifications necessary to perform the essential functions of the position, may also file an appeal for a hearing before a Hearing Officer.

Any final decision and order of a Hearing Officer may be appealed by the member, the executive Director of Safety, or by both, for a limited review by the Civil Service Commissioners. In lieu of an appeal to the Commissioners, a final decision at the Hearing Officer level may be appealed directly to Denver District Court. A final decision at the Commissioner level also may be appealed to District Court.

Hearing Officers

Hearing Officers are selected as established by City Charter §9.3.7 and Commission Rule 14. The following two individuals were selected in 2015 to serve as a Hearing Officer for the 2016-2019 contract period: Daniel C. Ferguson, Esq., and Carrie Klein, Esq.

2017 Disciplinary Appeals

Disciplinary and Disqualification Appeal decisions, listed by Year of appeal filing or by the Classified Member's Last Name can be found on the Commission's website at www.denvergov.org/civilservice.

ENTRY-LEVEL POLICE/FIRE TESTING 2017

The required qualifications for Original Appointment are set in Commission Rule 3, and Commission Rule 5 establishes the Examination and Screening phases. During the respective open application periods, applicants interested in testing for a Police Officer or Firefighter position first complete an application form and schedule a test date online through the Commission's web site at www.denvergov.org/civilservice. Upon an acceptable application being submitted, the Commission's testing center can accommodate up to 32 applicants per test session.

Police Officer Testing

The Commission tests for the position of Police Officer on an annual basis. Testing for Police Officer was conducted in October 2016 and February 2017 for applicants processing in 2017. (2224) applications were accepted. *See the demographic breakdown.*

Police applicants who are currently employed as peace officers (with appropriate State certification), and who have a minimum of three years patrol experience, can be considered for lateral-entry placement. A benefit of the combined entry-level and lateral-entry academies allows lateral-entry applicants to complete the academy in 16 weeks (versus 25-28 weeks for entry-level applicants), if their previous training and experience warrants.

In 2017, two (2) Police academies were placed in May and October and (1) Lateral Police academy was placed in October, 2017 from testing conducted in 2016 and 2017. A total of one hundred one (101) new Police recruits were hired in 2017. *See the demographic breakdown.*

Firefighter Testing

The Commission typically tests for the position of Firefighter every two (2) years, and testing was administered in December 2015 and March 2016. (1775) applications were accepted. *See the demographic breakdown.*

Two Fire academies were placed in 2017 from Firefighters who tested in December 2015 and March 2016. Forty-seven (44) Firefighters were hired. *See the demographic breakdown.*

SPECIALIZED FIRE TESTING

The Commission also tests for two specialized Fire entry-level positions in the Classified Service; Fire Mechanic and Fire Systems Technical Specialist (including Electricians and Electronic Technicians). Fire Mechanics perform skilled work in the maintenance and repair of automotive equipment, fire apparatus and fire suppression equipment. Fire Systems Technical Specialists (Electricians) design, install and maintain all electrical, heat, and power systems. Fire Systems Technical Specialists (Electronic Technicians) design, build, install, inspect and repair all division systems and equipment. Equipment maintained includes radio fire-box transmitters and receivers, microwave, two-way mobile radios and pagers, towers, antennas, etc. When a vacancy is anticipated in any of these specializations, the Commission will screen and test applicants as outlined in the respective Announcements of Examination and the respective Informational Booklets.

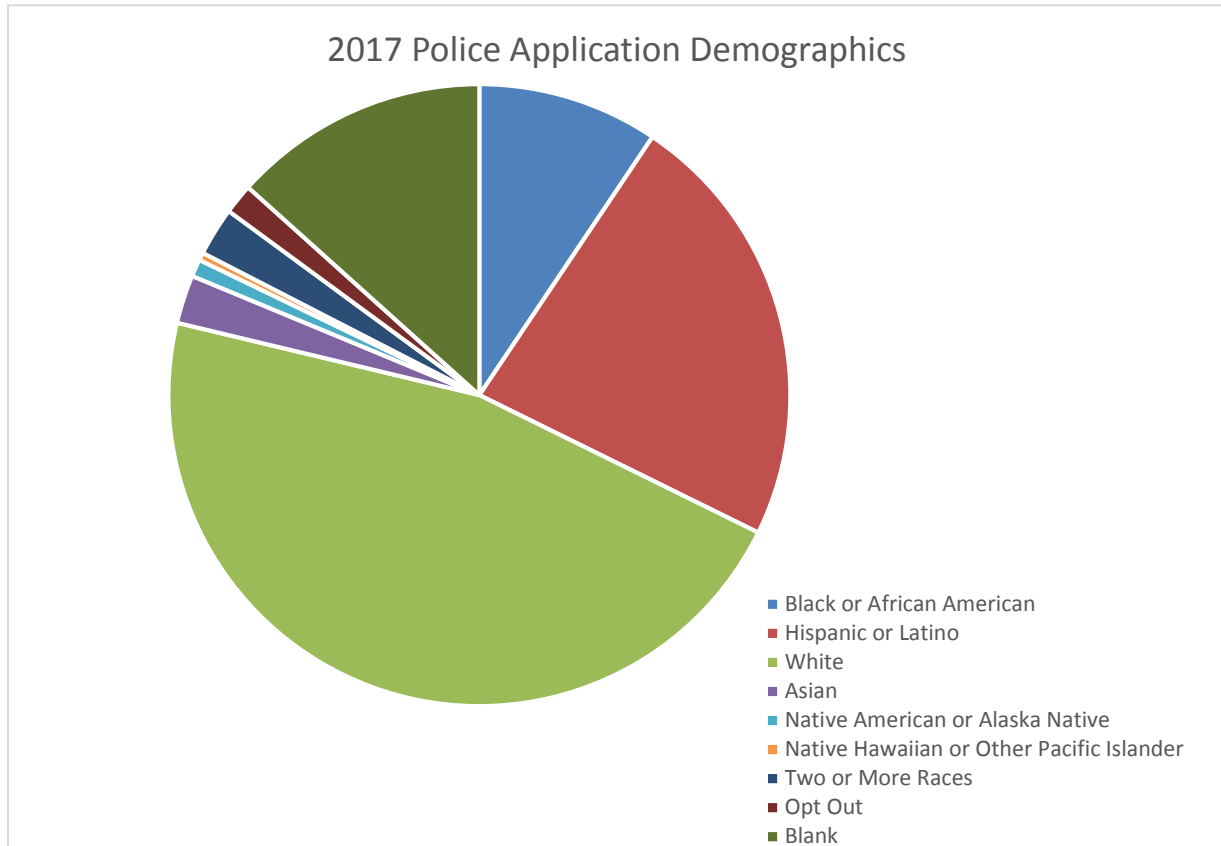

In 2017, no one was tested or placed in the position of Fire Systems Technical Specialist. The 2016 FSTS Eligible Register expired August 5, 2018.
