

# Red Rocks Lower South 2 Parking Lot Improvements

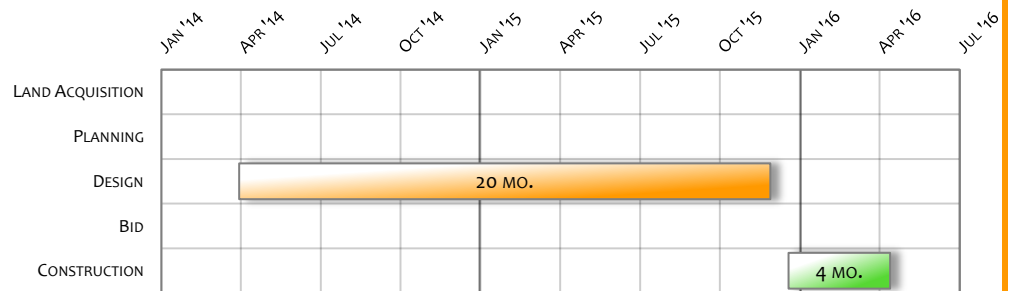

1.02.08.01  
18300 W. Alameda  
Pkwy.  
Morrison, CO 80465

## Project Overview

### Project Scope

This bond project was comprised of deferred maintenance work at the Red Rocks Amphitheatre's 'Lower South 2' parking area. The project scope included regrading of the existing gravel parking lot, implementation of improved erosion control measures aimed at minimizing erosion and improving water quality and minor pedestrian improvements.

BETTER DENVER BOND PROGRAM  
PROJECT COST:  
**\$810,789**
