

# Former Animal Shelter Facility Rehabilitation

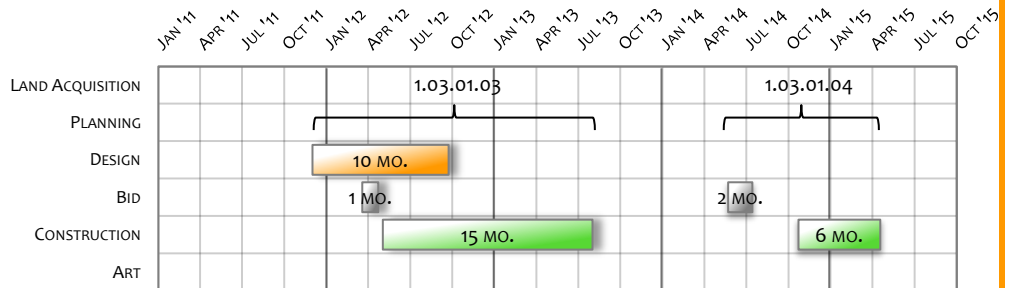

## Project Overview

1.03.01.03-04  
678 S. Jason St.  
Denver, CO 80223  
District 7

### Project Scope

This project involved decommissioning of the City's former animal shelter building prior to repurposing of the site as a Denver Parks & Recreation maintenance facility. Bond-funded activities included decommissioning of the methane collection, electrical, mechanical, and plumbing systems.

BETTER DENVER BOND PROGRAM  
PROJECT COST:  
**\$637,889**
