

# Cherry Creek Greenway Trail

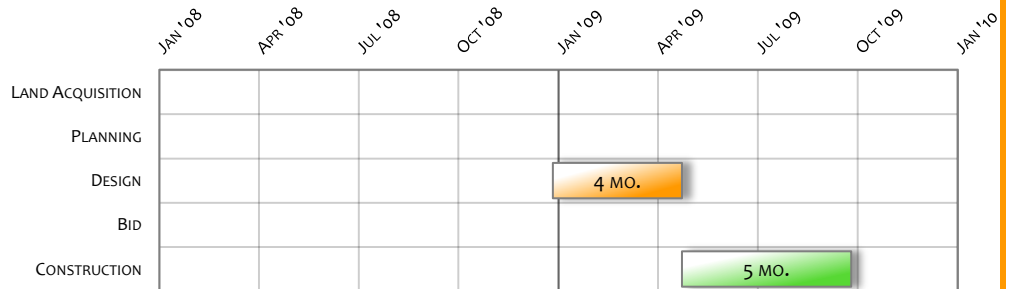

1.04.07.01  
 S. Holly St. -  
 S. Oneida St.  
 Denver, CO 80224  
 District 6

## Project Overview

### Project Scope

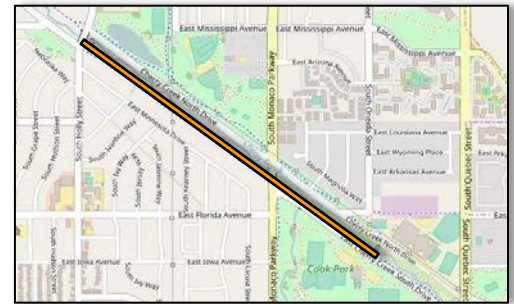

The Cherry Creek Greenway Trail project involved the construction of a new multi-use trail along the creek between the existing pedestrian bridge at Place Bridge Academy and the new Holly Street Bridge. The project included approximately 1.25 miles of 10'-wide concrete trail, three concrete low-water crossings, underpasses at South Holly Street and Monaco Parkway, native revegetation, and ancillary maintenance items.

BETTER DENVER BOND PROGRAM  
 PROJECT COST:  
**\$500,000**
