

Pferdesteller Park Playground Improvements

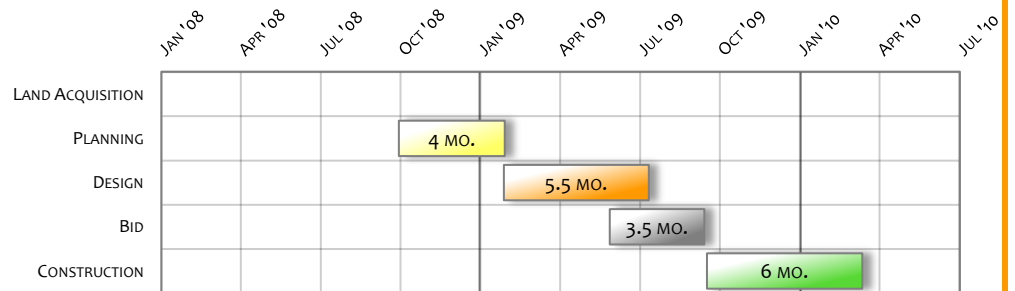

1.04.14.04
4815 W. Moncrieff Pl.
Denver, CO 80212
District 1

Project Overview

Project Scope

Improvements to Pferdesteller Park playground consisted of general site improvements including a new accessible concrete walkway into the playground areas, new playground equipment, new site furnishings (picnic tables, benches and trash receptacles), enhanced landscaping, and irrigation improvements. The design concept celebrates the mature trees in and around the park. Features such as a plant immersion area, plant finder labyrinth and a large hollow tree climbing structure are tied into the fun new concept.
