

Cherry Creek Drive South Improvements

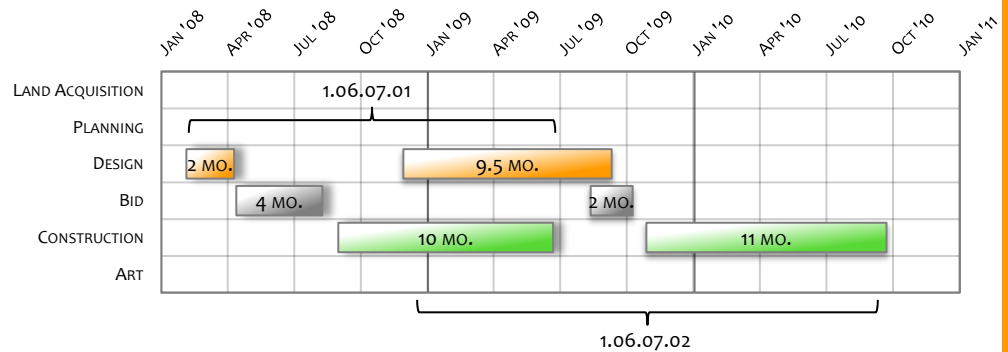

1.06.07.01-02
 S. University Blvd. -
 S. Colorado Blvd.
 Denver, CO 80209
 District 10

Project Overview

Project Scope

The Cherry Creek Drive South Improvements project involved reconstruction of a section of Cherry Creek Drive South between South University Boulevard and South Colorado Boulevard--the first phase of this bond project was completed in June 2009 and the second phase in September 2010. Aspects of the master plan that were incorporated into the project include: reconstruction of Cherry Creek South Drive with concrete pavement and including new on-street parking, curb, gutter, and sidewalk; landscaping and irrigation improvements along Cherry Creek and adjacent to City of Brest Park; construction of raised, landscaped medians; pedestrian and bicycle connectivity improvements; upgraded street lighting and urban design features; and new striping and provisions for protected left turn pockets into existing access ways and driveways.

BETTER DENVER BOND PROGRAM
 PROJECT COST:
\$3,999,999
