

Yosemite Sound Wall Improvements

1.06.15.01
 E. Oxford Dr. -
 E. Kenyon Ave.
 Denver, CO 80237
 District 4

Project Overview

Project Scope

The Yosemite Sound Wall Improvements project involved repair and replacement of several sections of pre-cast concrete panels within the South Yosemite Street sound barrier. The project repaired or replaced approximately half of the total number of panels between East Oxford Drive and East Kenyon Avenue.

BETTER DENVER BOND PROGRAM
 PROJECT COST:
\$500,000
