

Generally, I prefer ...

What do you do in the Golden Triangle?

I live here

I own a property/residence

I own a business

I work at a business

I shop and buy things

I eat and drink

I visit the museums

None of the above (I rarely go to the Golden Triangle)

In a few words or phrases, what excites you about recent changes in the neighborhood?

In a few words or phrases, what concerns you about recent changes in the neighborhood?

I feel like the neighborhood currently has ...

I wish the neighborhood had more ...

Places to live

Places to work

Places to shop,
eat, and drink

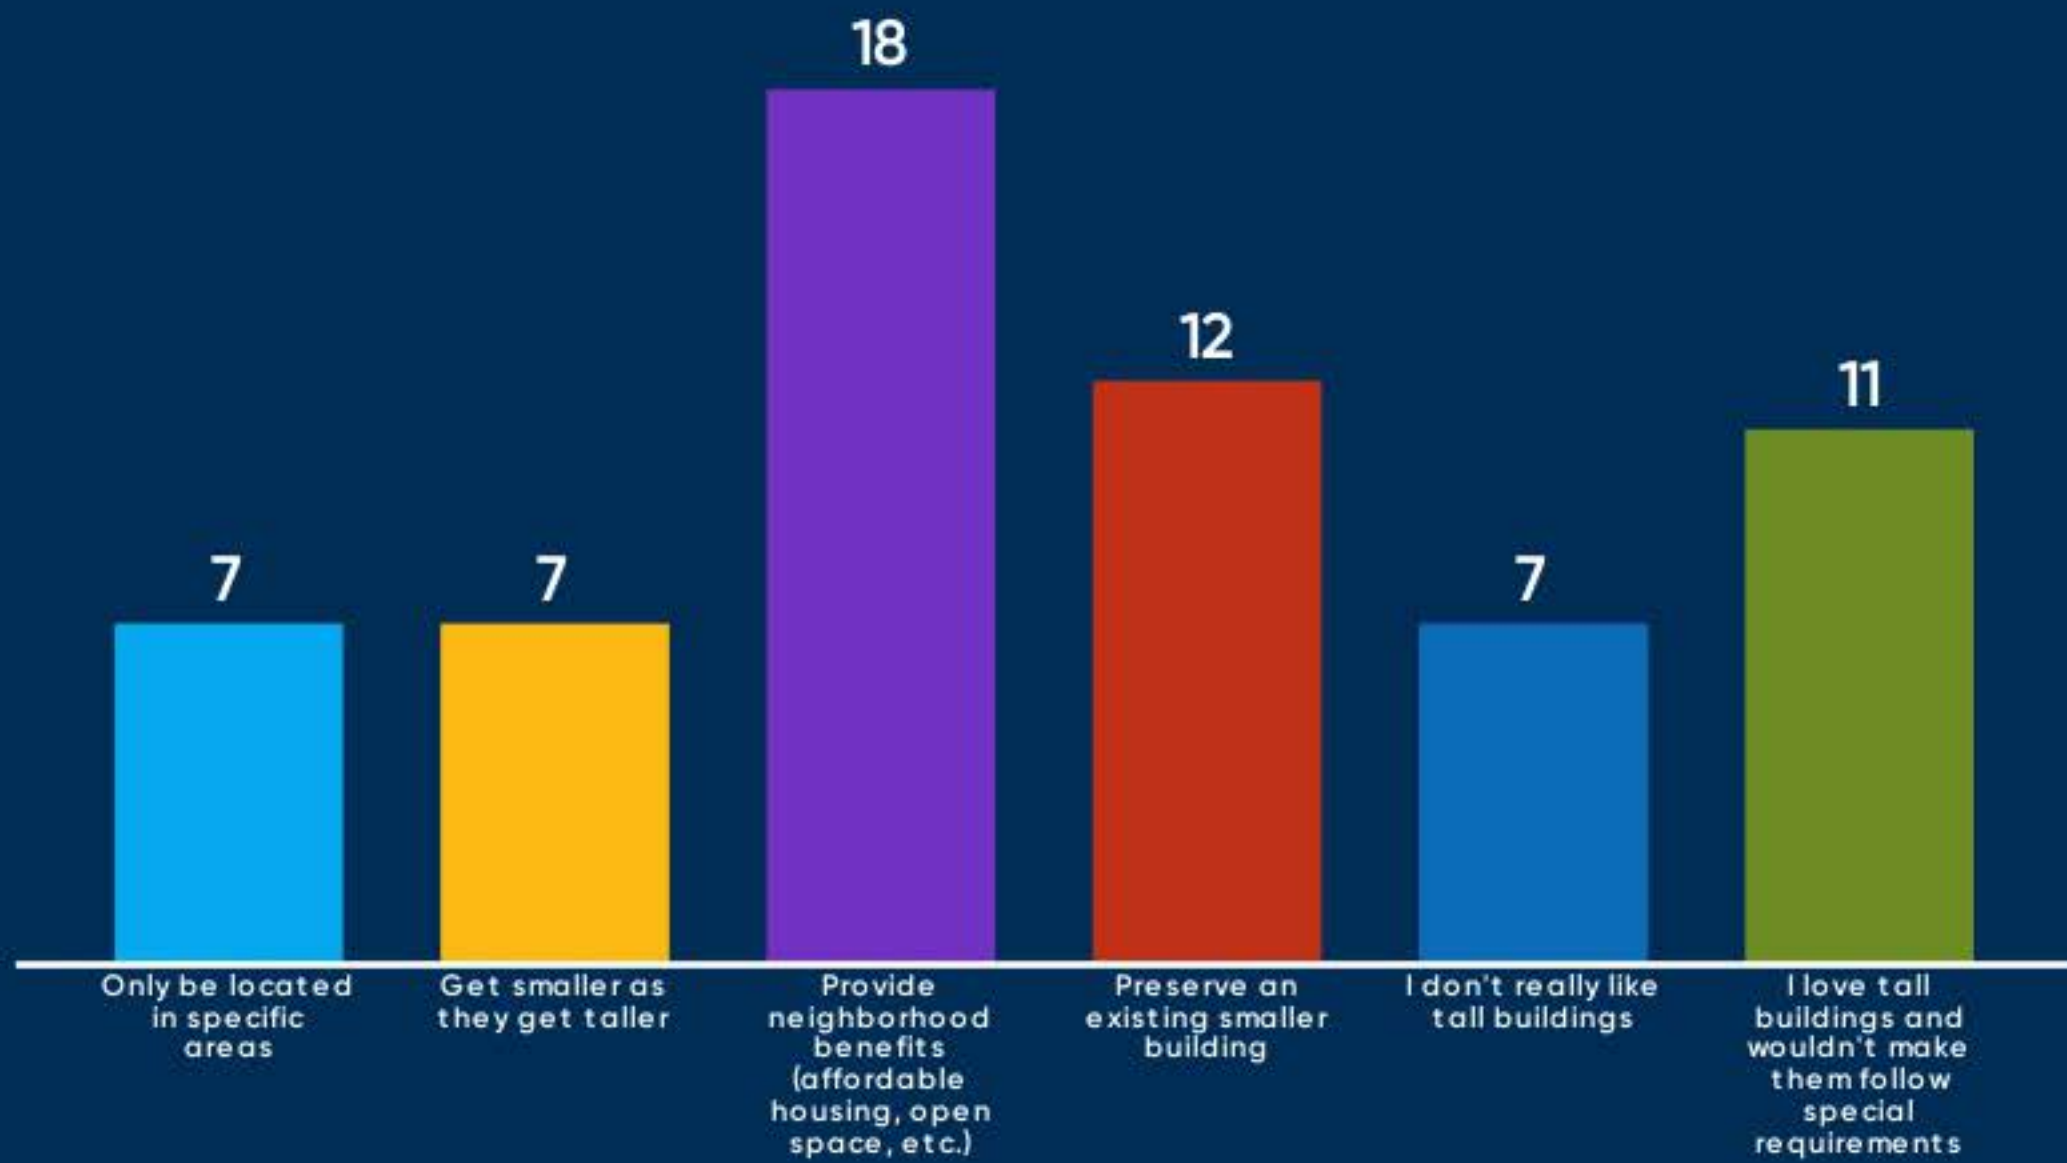

Places to park a
car

Places to sit and
gather

If new tall buildings are built in the neighborhood, they should ...

In a short statement, I hope the updates to the zoning and design guidelines will ...

Don't block views of existing buildings

Opportunities for better architecture... increased height limits,

Allow for a lot more density, more office buildings and require more mixed-use whenever possible.

greater density

More green space; more pedestrian friendly

Freedom for great design , form Based zoning does not necessarily provide for timeless / contemporary design
