The Landmark Preservation Commission meets the first (1st) and third (3rd) Tuesday of each month. Design review applications and other applications for Commission consideration are due at noon four (4) weeks prior to the scheduled meeting date. The Landmark Preservation Commission sets meeting agendas on a first-come, first-serve basis and has a maximum number of items per agenda. If a public meeting is scheduled for an LPC meeting, no more than six (6) design or demolition review projects may be added to that meeting agenda. If no public hearings are scheduled for an LPC meeting, no more than eight (8) design or demolition review projects may be added to that meeting agenda. Changes to the maximum number of agenda items may be made by the Chairperson in consultation with Landmark Preservation staff.

*NOTE: The above Commission filing deadlines are for **one hard copy or digital copy of the application** AND required submittal materials for initial staff review. Some projects require pre-application review/meetings as a prerequisite to filing applications for Commission agendas. If city staff determines that your application is complete, your project manager will provide you with additional comments and will apprise you of the deadline to provide multiple hard copy sets for distribution to the Commission. **The above dates may change depending on City & Federal Holidays. Please make sure you confirm the appropriate deadline with staff.***
