The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-700-8140. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.denverhealthmedicalplan.org or call 1-800-700-8140 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	$1,450 individual/$2,900 family for Denver Health Network. $2,500 individual/4,000 family for Cofinity Network.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, the overall family deductible must be met before the plan begins to pay.
Are there services covered before you meet your deductible?	Yes. Preventive care services and preventive pharmacy are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet other deductibles for specific services.
What is the out-of-pocket limit for this plan?	$2,900 individual/$5,800 family for Denver Health Network. $5,000 individual/$8,000 family for Cofinity Network.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members on this plan, all family members' expenses will count towards the overall family out-of-pocket limit.
What is not included in the out-of-pocket limit?	Premiums, balance-billed charges.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See www.denverhealthmedicalplan.org or call 1-800-700-8140 for a list of network providers.	This plan uses a provider network. You will pay the least if you use a provider in the Denver Health network. You pay more if you use a provider in the Cofinity network. You will pay the most if you use an out-of-network provider and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. Out-of-network providers are not covered on this plan except for urgent care or emergency.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
