City & County of Denver Employees

Get Immunized – at no cost!

Preventive care services can catch problems early, when they're easier and safer to treat. That's why many of these services, such as certain immunizations, are covered at no cost to you.

Simply call ahead and schedule a 10-minute immunization appointment at any Denver/Boulder medical offices by calling **303-338-4545**. You can also schedule appointments online at kp.org or on the Kaiser Permanente mobile app.

If you already have a scheduled appointment for another reason, please let the staff know, and they will give you the immunization you need.

Immunizations available:

Hepatitis A	Tetnus, diptheria, pertussis
Hepatitis B	Varicella
Herpes Zoster	Pnuemococcal
Influenza	Human Papillomavirus
