

Recruitment Process for Positions using National Testing Network (NTN) Tests

Some positions with the city require the completion of a test through the National Testing Network (NTN) as part of the recruitment process. Positions requiring completion of the NTN tests are located in our Department of Safety. For more information about assessments and tests visit www.denvergov.org/jobs

Step 1

Application

Submit your application on www.denvergov.org/jobs

Add @denvergov.org to your email's safe sender list to make sure you receive important communications about your application and testing.

Step 2

Testing

If an NTN test is required you will receive an email with instructions on how to register and complete the test.

Your results will be available in your applicant profile within 5–7 business days after you complete the NTN test.

Step 3

Qualifications Review

Applicants who pass the test and meet the minimum qualifications for the position will be reviewed by the recruiter.

Step 4

Referral

Applicants who are best qualified for the position will be referred to the hiring agency. Referred applicants will be contacted regarding the next steps in the screening process.

Applicants are encouraged to check their online profiles for all recruitment and status updates.

- There is a fee to complete certain NTN tests. Please visit the [NTN FAQs](#) for more information on testing fees. Applicants with financial hardship may submit a fee waiver request. The request form can be found in the [NTN FAQs](#).
- You must complete the test to move forward in the recruitment process.
