Classification Notice No. 1289

To: Agency Heads and Employees
From: Jeff Dolan, Career Service Executive Personnel Director
Date: December 30, 2008
Subject: Proposed Change to the Classification and Pay Plan

The proposed change amends the Classification and Pay Plan by adding Outreach Case Coordinator and Outreach Case Coordinator Supervisor.

These classes were created as a result of a study done on positions currently classified as Case Management Coordinator (pay grade 616-H) and Case Management Supervisor (807-H) in the Denver Department of Human Services’ Homeless Programs unit. Another, separate study was conducted on DHS Eligibility Technician and Supervisory classes in October 2008, which resulted in the creation of five new classes. Those new classes are Case Management Coordinator I, II and III, and Case Management Supervisor I and II. A determination was made that the Case Management Coordinator incumbents in the Homeless Programs should be studied separately, as they were not classified as Eligibility Technicians and their duties are of a unique nature and specific to homeless or vulnerable clientele. A focus group was convened; site visits to incumbents were made and all-staff meetings were attended to conduct the job analysis. The Outreach Case Coordinator class was written to include positions that work primarily off-site to provide “triage” to homeless individuals or those vulnerable, positions that focus on on-going management of homeless or vulnerable clients, and also positions that work exclusively with homeless Veterans helping them gain employment. The Outreach Case Coordinator Supervisor class was written to include positions that will supervise the Outreach Case Coordinator. Upon approval of these two new classes, the classes of Case Management Coordinator and Case Management Coordinator Supervisor will be abolished.
