Subject: Proposed Change to the Classification and Pay Plan

The proposed change amends the Classification and Pay Plan by changing the title and pay grade of Tree Trimmer (611-J) to Arborist Technician I (614-J) and Senior Tree Trimmer (612-J) to Arborist Technician II (616-J).

The Natural Resources Division of Parks and Recreation requested that we look at the pay for Tree Trimmer and Senior Tree Trimmer. They contacted us because they were having issues attracting and retaining good talent because our pay was fairly low compared to other municipalities. The division was losing great employees to these municipalities because of this reason.

The agency also believed the current job descriptions needed to be updated to capture all the elements of the job. OHR updated both job descriptions and changed the title to be more aligned with what they are being called in the market. We added certifications to both the Arborist Technician I and II. We changed the education and experience requirement for the Arborist Technician II. The Arborist Technician II will now have to have two years of related college course work and 3 years of experience.
