Subject: Proposed Change to the Classification and Pay Plan  

The proposed change amends the Classification and Pay Plan by adding the classification Lead Youth Counselor (616-A).

The Family Crisis Center (FCC) within the Department of Human Services wishes to establish a classification for permanently assigned lead worker roles within the Residential Treatment Team. One of the circumstances that makes utilizing lead workers appropriate is when the work being performed by the team or division is carried out over multiple shifts including traditional daytime work hours plus evening and/or overnight shifts and a Supervisor is not available or working every shift. This is the case at the FCC which operates 24 hours a day, 7 days per week. Even with a staggered schedule, the two youth Counselor Supervisors on staff are not on-site for all hours of operation.

The Career Service Executive Personnel Director shall provide those appointing authorities who are affected with a draft of proposed changes in the plan, and notice shall be posted on appropriate bulletin boards at least thirteen calendar days from the date of this notice.
