Subject: Proposed Change to the Classification and Pay Plan

The proposed change amends the Classification and Pay Plan by creating new classification called Lead Prevailing Wage Investigator at pay grade A-809.

Currently the Auditor’s Office has a Prevailing Wage Investigator classification, pay grade A-808. It is proposed to create a Lead Prevailing Wage Investigator. The Prevailing Wage Division has more than doubled in size in the past two years as the city is building significantly more capital construction projects ($2.4B in 2017). Division personnel will be required to be located in more than one office around the city (downtown, Denver International Airport, and the National Western Stock Show Complex). In January 2017, the prevailing wage ordinance changed, permitting greater administrative review which requires the Division to conduct more in-depth investigations. The Lead Prevailing Wage Investigator will lead these various investigative teams and provide oversight around the city.
