

Office of Human Resources
Accounting Technician I - LV2382
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Performs entry-level to routine clerical and technical level accounting activities, which includes recordkeeping and reporting in support of accounts receivable, accounts payable, payroll, permits and licensing, and revenue and cash management.

Distinguishing Characteristics

The Accounting Technician I performs some of the major duties or responsibilities described within the essential duties section of this job description and performs various elements within those major duties and responsibilities, but the Accounting Technician I may not perform all of the essential duties outlined below as this is a citywide classification, which encompasses a wide range of work.

The Accounting Technician I services and supports internal units within a department or agency, or may service and support a client group outside of the organization.

The Accounting Technician I is distinguished from the Accounting Technician II, which performs specialized clerical and technical level accounting assignments in support of an agency or department, or may service and support multiple client groups outside of the organization.

Level of Supervision Exercised

None

Essential Duties

Performs a variety of entry-level to routine accounting transactions, which includes preparing, maintaining, and verifying records, ledgers, logs, and statements, complying and tabulating balances for records, coding data according to prescribed accounting procedures, and ensures accuracy and compliance of financial transactions.

Works with stakeholders both internal and external to the City to respond to general inquiries, and provide general information and assistance with regard to accounting information and transactions, which includes the status of accounts, payments, issuance of checks, and available balances.

Identifies and reconciles routine discrepancies between records and accounting systems, compiles supporting documentation, and creates record of corrective action.

Receives and prepares routine revenue deposits from divisions or branches, reconciles cash and credit statements, prepares bank deposit slips, allocates funds to appropriate accounts, verifies deposits with bank statements, ensures cashiers and terminals are adequately funded, and records financial information in accounting systems.

Processes invoices for payment of goods and services, verifies contract rates and terms, works with stakeholders to ensure timeliness and accuracy of payments, and records inventory of new capital equipment and fixed assets.

Tracks and maintains various ledgers, registers, and journals in accordance with established fiscal policies and procedures.

Reviews routine accounting transactions, documents, and financial calculations in order to ensure correctness and accuracy of records and data, and ensure compliance with fiscal rules, policies, and procedures.

Prepares and enters routine vouchers into accounting systems for accounts payable, accounts receivable, and internal billing transactions, and transfers funds to appropriate accounts.

Prepares and assists with the preparation of routine accounting reports, statements, and documents, which includes gathering and organizing information and data.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
