

Office of Human Resources
Addictions Counselor II - CO2654
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Performs intermediate level work that requires a Level II - Certified Addiction Counselor Certificate. Duties include performing intake and assessment, conducting individual and group counseling/education for substance abuse clients, developing and implementing client treatment plans, and/or referring clients to appropriate programs and/or services.

Distinguishing Characteristics

This class performs intermediate level work that requires a Level II - Certified Addiction Counselor Certificate. This class is distinguished from an Addictions Counselor, Level III that performs full performance level work that requires a Level III - Certified Addiction Counselor Certificate. Duties include performing intake and assessment, conducting individual and group counseling/education for substance abuse clients, developing and implementing client treatment plans, referring clients to appropriate programs and/or services, and providing clinical supervision to other addiction counselors. Additionally, an Addictions Counselor, Level III provides monthly clinical supervision to an Addictions Counselor, Level II.

Level of Supervision Exercised

None

Essential Duties

Conducts intake interviews with clients to ascertain substance abuse dependence, mental health/daily living issues, and severity of problems, develops and implements the treatment plan and goals in conjunction with the client, and records observations of client's behaviors in order to chart their progress towards meeting treatment goals and to maintain up-to-date records on client's progress through the treatment process.

Provides individual and group counseling/education to clients in order to assess a client's motivation for treatment, assist clients in the recovery process, and optimize client outcomes, discusses alternative methods of coping with stress, anxiety, and other issues, and utilizes support systems to assist in the recovery process including family members and/or friends.

Maintains a safe environment for clients, observes and documents client's behavior and physical conditions, reports any abnormalities and/or problems to medical staff, anticipates and manages crisis situations using the least restrictive interventions, and implements behavior management programs/techniques and appropriate intervention techniques.

Initiates discharge planning, determines the client's needs such as housing, employment, follow-up counseling, and other services, and refers clients to appropriate programs and/or services.

Attends treatment meetings with medical staff and other staff members to discuss clients' progress and specific problems concerning clients and receives information and feedback from the group.

Prepares records, reports, progress notes, and summaries in accordance with state and federal standards and departmental policies and procedures.

Performs other related duties as assigned.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
