

Office of Human Resources
Aviation Director Senior - CA0794

THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Directs the business functions within a division that include developing annual and multi-year work plans and strategies. Ensures resources are available to achieve work plans and strategies, resolves complex business issues, and establishes management practices and processes that ensure the accomplishment of performance standards.

Distinguishing Characteristics

This class is a combination of an operational and strategic manager. It is responsible for directing and managing a function within a division. This classification is distinguished from the Deputy Manager of Aviation which is responsible for the overall strategic direction of a division. The Aviation Director Senior is also distinguished from the Director class since it is responsible for leading projects and initiatives that have a broad impact on the airport by developing and implementing strategies and managing plans, programs, and projects. Incumbents in the Director classification may report to this classification.

Level of Supervision Exercised

Supervises two or more director, manager and professional expert positions within the division.

Essential Duties

Develops and establishes standards, procedures, systems, and guidelines for operational and functional areas and subordinate directors and managers.

Assists with the establishment of the division's operational framework and adopts policies and procedures for the assigned operational and functional areas.

Develops, manages and recommends an annual budget by reviewing past expenditures, analyzing and projecting future needs. Tracks expenditures to ensure compliance with budgetary guidelines, goals and objectives.

Collaborates and interacts with managers, executives and others internal or external to the City to secure funds and resources for the division. Participates in and conducts budget and fiscal policy-setting discussions for the division.

Plans goals and activities through research, evaluation, review, and assessment of future needs. Makes recommendations and implements necessary improvements and modifications.

Provides leadership to subordinate directors and managers by establishing, assigning, planning, organizing and prioritizing division or department goals, objectives and standards for resources and manpower. Assists subordinate directors, managers and supervisors with the coordination of personnel and resources to ensure efficient completion of division assignments.

Represents the division at meetings to present plans, projects, programs and activities and to discuss and coordinate matters involving mutual efforts with other departments, divisions, tenants and airport users.

Through subordinate directors and managers, gathers and maintains records of divisional data. Prepares a variety of reports and correspondence. Reviews data and reports prepared by staff relating to division activities and compliance with city, state and federal rules and regulations.

By position, directs and manages through subordinates all snow removal activities and functions.

Administers and monitors contracts concerning division's activities.

Drives staff development initiatives to instill shared values and enhance core competencies across functions, operations and the organization. Initiates and implements programs to develop, build upon and encourage performance strengths of subordinate managers, supervisors and /or staff. Directs the implementation of human resource policies, practices and procedures.

Develops goals, documents performance, provides performance feedback and formally evaluates the work of the employee; provides reward and recognition for proper and efficient performance. Assists staff to achieve performance standards and identifies opportunities for continual improvement to performance standards.

Performs other duties as assigned.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

Competencies

Creating and Conceptualizing - Identifies and produces innovative ideas and thinking strategically. Promotes best practices and leading-edge ideas.

Deciding and Initiating Action - Takes responsibility for actions, projects and people; makes quick, clear decisions which may include tough choices, after considering risks.
