

Office of Human Resources  
Aviation Painting Supervisor - CJ2481  
THIS IS A PUBLIC DOCUMENT

### General Statement of Duties

Supervises skilled painters maintaining interior and exterior surfaces, runways, ramp areas, parking lots, streets, equipment and furniture for the airport.

### Distinguishing Characteristics

This class is distinguished from Field Superintendent who performs second level supervisory responsibilities over skilled trade supervisors, crew supervisors, and employees involved in City field operations and Facilities Superintendent who performs second level supervisory work over skilled trade supervisors and employees involved in maintenance, repair, or construction of City facilities.

### Level of Supervision Exercised

Supervises two or more first-level supervisors.

### Essential Duties

Plans, schedules, coordinates and assigns work and establishes goals and priorities for subordinate employees.

Reviews work upon completion for adherence to guidelines and standards.

Resolves problems encountered by employees during the course of the assignment.

Implements safety standards and develops procedures to ensure compliance.

Develops and implements staff training and development plans to provide cross training of employees, specific job related training and other approaches to provide opportunities for staff flexibility and development.

Develops goals, documents performance, provides performance feedback and formally evaluates the work of the employee; provides reward and recognition for proper and efficient performance.

Assists staff to achieve performance standards and identifies opportunities for continual improvement to performance standards.

Implements and interprets policies and procedures developed by higher level managers and supervisors. Assists in developing, recommending and coordinating the implementation of new procedures for the assigned functions or unit.

Receives formal and informal grievances and conducts preliminary discussions for settlement when necessary.

Initiates and recommends disciplinary action for employees when necessary.

Delegates responsibility and authority to subordinate staff.

Allocates resources within the supervised function in accordance with work requirements and budget constraints.

Coordinates projects with other trades areas.

By position, may be required to be on-call to address emergent needs.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
