General Statement of Duties
Performs standard level, professional purchasing work obtaining goods and services of all types by applying professional public purchasing standards and applicable City laws, policies and procedures.

Distinguishing Characteristics
The Associate Buyer is standard level professional purchasing work that performs routine procurement work. This class is distinguished from the Staff Buyer which is entry level in training in the application of professional standards to coordinate procurement of goods, and is distinguished from the Senior Buyer which performs full performance professional level purchasing work in the procurement of goods and services.

Guidelines, Difficulty and Decision-Making Level
Guidelines are generally numerous, well established and directly applicable to the work assignment. Work assignment and desired results are explained by general oral or written instructions.

Duties assigned are generally repetitive and restricted in scope but may be of substantial intricacy. Employee primarily applies standardized practices.

Decisions and recommendations on non-standardized situations are limited to relating organizational policies to specific cases. Problems that are not covered by guidelines or are without precedent are taken up with the supervisor.

Level of Supervision Received & Quality Review
Under normal supervision, within a standardized work situation, the employee performs duties common to the line of work without close supervision or detailed instruction. Work product is subject to continual review.

Interpersonal Communication & Purpose
Contacts with the public or employees where explanatory or interpretive information is exchanged, defended, gathered and discretion and judgment are required within the parameters of the job function.

Level of Supervision Exercised
By position, performs lead work.

Essential Duties
Evaluates and reviews purchasing specifications for one-time and term bids to determine the method of procurement; consult with internal customers; and select a list of qualified bidders.

Works with vendors to verify price quotations and obtain product information. Confirms proper bonding, liquidated damages and insurance provisions.

Verifies with supervisor that non-discriminatory and non-proprietary bid and contract terms are in place and that bonding, licensure, insurance, specific performance and other bid terms and conditions are maintained for the life of the contract.

Recommends solutions concerning agency and vendor disputes, facilitates timely vendor payments and prepares notices of vendor default and termination.
Awards purchase orders, one-time specialty bids and annual requirement contracts, and authorize emergency procurements.

Analyzes sole-source, professional preference and other bidding exception requests and recommends approval or disapproval.

Explains the procurement process to agency staff, including approval of specifications and introduction of new vendors and products.

Conducts vendor site visits and evaluates vendor capability and references.

 Communicates procurement status to agencies and vendors and utilizes bidder and commodity databases and other sources of relevant information.

Represents the Purchasing Department to individual groups affected by their unique contacts with the procurement process.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

---
