General Statement of Duties

Trains in the application of professional standards to coordinate procurement of goods and services of all types and to apply City guidelines and signature authority on cost, quality and delivery.

Distinguishing Characteristics

The Staff Buyer class is entry level in the professional buyer series that trains in the application of professional standards to coordinate procurement of goods. This class is distinguished from the Associate Buyer class which performs standard level professional purchasing work obtaining goods and services, and is distinguished from the Purchasing Technician class which is trained and/or skilled in the technical aspect of the procurement of goods and services.

Guidelines, Difficulty and Decision-Making Level

Procedures, methods and techniques to be used are well established with options to be considered well defined. Tools, work aids and materials to be used are specified. Work steps are demonstrated or made clear by straightforward oral instructions.

Detailed oral and/or written instructions are normally given during the training period. Work steps involve a pattern of sequential motions such as push, pull, lift, carry or place which may include making gross discriminations as to size, color or readily observable conditions.

Duties assigned are primarily routine, repetitive and restricted in intricacy with little or no discretion in how they are carried out.

Level of Supervision Received & Quality Review

Under close supervision, the employee receives training to develop skills and abilities in a specific line of work or general occupational area. Work product is subject to close, continuous inspection.
