General Statement of Duties
Performs entry-level inspection work ensuring compliance with City standards and ordinances, enforcing compliance, and may issue citations, orders, or summonses.

Distinguishing Characteristics
The City Inspector is the first class in a three part series. The City Inspector performs entry-level inspection work and is distinguished from the Associate City Inspector that performs intermediate-level inspection work.

Guidelines, Difficulty and Decision-Making Level
Procedures, methods and techniques to be used are well established with options to be considered well defined. Tools, work aids and materials to be used are specified. Work steps are demonstrated or made clear by straightforward oral instructions.

Detailed oral and/or written instructions are normally given during the training period. Work steps involve a pattern of sequential motions such as push, pull, lift, carry or place which may include making gross discriminations as to size, color or readily observable conditions.

Duties assigned are primarily routine, repetitive and restricted in intricacy with little or no discretion in how they are carried out.

Level of Supervision Received & Quality Review
Under close supervision, the employee receives training to develop skills and abilities in a specific line of work or general occupational area. Work product is subject to close, continuous inspection.

Interpersonal Communication & Purpose
Contacts with the public or employees where explanatory or interpretive information is exchanged, gathered or presented and some degree of discretion and judgement are required within the parameters of the job function.

Level of Supervision Exercised
None

Essential Duties
Performs entry-level inspection work to ensure compliance with City standards and ordinances, and enforces compliance by monitoring and re-inspecting work or violations to ensure compliance with standards and specifications, through onsite audits, reviews, and inspections.

Learns applicable codes, standards, and ordinances, and receives guidance on larger and more complex inspections.

Investigates and resolves complaints regarding zoning, health, housing, public right-of-way, solid waste, and other compliance issues, and may issue citations, notices, stop work orders, or summonses.

Recognizes and identifies existing and potential code violations as assigned and discusses issues with supervisor.
Writes reports and maintains records and documents for historical accounts associated with tracking permits, projects, legal actions, and compliance issues.

Assesses and evaluates approved construction and improvement plans for conformance with City standards and guidelines and determines the proper course of action to ensure compliance.

By position, inspects residential and commercial permitted construction projects with regard to bulk plans, property setbacks, fences, and structural additions in compliance with zoning ordinances specific to land use.

By position, inspects residential and commercial public right-of-way permitted construction projects with regard to sidewalks, curbs, gutters, streets, and alleyways in compliance with engineering standards and codes.

By position, reviews and approves Traffic Control Plans to ensure proper safety safeguards are in place and vehicle traffic is properly detoured.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
