

Office of Human Resources City Planner Manager - CE3124

THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Manages a functional and operational professional planning group for one or more work units, which includes implementing work plans based on annual goals and the strategic plan; resolves citizen, operational, and management issues; and achieves goals while utilizing resources appropriately.

Distinguishing Characteristics

The City Planner is a seven (7) level classification series. Incumbents in these classes are responsible for developing planning projects, goals, and guidelines, conducting planning studies, and research in a variety of social, economic, and physical areas with increasing responsibility and decision making at each level within the series:

- City Planner Staff
- City Planner Associate
- City Planner Senior
- City Planner Principal
- City Planner Supervisor
- Manager City Planning
- Director City Planning

These classes are distinguished from the Airport Planning class series by the specialization of education and experience required for airport planning.

The Manager City Planning is a first level management class. A Manager City Planning oversees a planning workgroup within a division and is responsible for supervising first or second line supervisors and individual contributors.

The Director City Planning is a mid-level management class. A Director City Planning manages a division and is responsible for supervising managers, supervisors, and individual contributors.

Level of Supervision Exercised

Manages a workgroup within a division by supervising supervisors and/or individual contributors.
