

Office of Human Resources
Correctional Institution Food Manager - CJ2507
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Manages high- volume food service operations, including kitchen safety and security for inmate helpers and staff, at Denver County Jail and at the Pre-Arrestment Detention Facility.

Distinguishing Characteristics

This class is distinguished from the class of Institution Food Steward Supervisor, which supervises work of Institution Food Steward employees in the production and preparation of food in a correctional institution.

Level of Supervision Exercised

Supervises two or more first level supervisors.

Essential Duties

Develops and manages the budget for food service, plans menus for cost, calories and proper nutritional value and allocates funds within budget to accomplish objectives.

Resolves operational problems associated with correctional food service including coordination with other entities, food and supply inventory, menu planning, kitchen safety, special diets, inmate security, unforeseen procedural problems and staff contact with inmates and other affected groups. Acts as chief spokesperson for the Undersheriff for all food service activities.

Directs the development of performance standards for functions managed within guidelines set by top management, including standards for food service set by the American Correctional Association and by Denver Health and Hospitals. Formally evaluates the work of Institution Food Steward Supervisors.

Develops and ensures the implementation of staff training and development programs which provide opportunities for individual employee growth, continuity of work flow during employee absences, and long range development of employees.

Interviews and selects staff reporting directly to this position and assists with other interviews as required.

Changes procedures or approaches to daily problems or incorporates changes into existing guidelines.

Follows through to ensure corrections are made for deficiencies in kitchen cleanliness and food service equipment operation.

By position, may be required to be on-call to address emergent needs.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
